Order continued for Burpee's Seeds and Bulbs

[illegible]

Dear Friends:

For the past year we have been constantly reminded by governmental agencies, newspaper and magazine articles about the importance of food in winning the war.

Seeds will produce this food. Farmers, Market Gardeners, and Home Gardeners are increasing their planting of vegetables to insure our own supply as well as to produce a surplus that can be used to feed our Allies. Seeds will be in greater demand than ever.

Because of military requirements, you have been unable to purchase standard articles which you have been selling for years. Why not overcome this loss in sales by handling the most popular brand of seeds in America? Our extensive advertising campaigns will be sure to help you sell the "Best Seeds That Grow."

For the convenience of our Midwest and Western friends we have opened a complete new Burpee seed building in Clinton, Iowa. Be sure to send your order to the address nearest you, either Philadelphia, Pa., or Clinton, Iowa.

We anticipate that there will be an unusually heavy demand for seed stocks this spring, and we suggest that you cover your requirements promptly.

Faithfully yours,

President

This Book, Known as Burpee's Red List

is for the exclusive use of Seedsmen and Dealers who sell seeds and are therefore entitled to these Special Wholesale Prices. As a seedsman or dealer, you know the importance of good seeds; you cannot take chances on the quality of the seed from which you expect to make your profits. Sell Burpee's Tested Seeds—the Best Seeds That Grow.

Order Early from the Burpee Building Nearest You

The Burpee Buildings in Philadelphia, Pa., and Clinton, Iowa, are especially equipped to properly and quickly fill your orders, most of which are shipped the same day they are received. If you have not depended upon Burpee for your annual supply of seeds, do so this year; a trial order will be appreciated. It is our purpose to give you Quick Service and the Best Seeds at the lowest possible cost. Please remember that transportation of all kinds is slower than usual so allow extra time for shipments to reach you.

Prices Subject to Change Without Notice

All prices in this wholesale catalog are subject to change without notice and all goods are offered f.o.b. Philadelphia, Pa., or Clinton, Iowa, and subject to prior sale. Due to bad weather conditions, seed crops were short last fall and, on top of this, there has been a tremendous demand for vegetable seeds. We advise that you order your requirements early. You cannot sell seeds if you do not have them on hand when your customer wants them.

Special Advertising Offer

In our retail advertisements, we are making a Special Offer of 4 Pkts. of Giant Dahlia Flowered Zinnias—4 Best Colors—1 each of Scarlet, Yellow, Lavender and Rose, all 4 pkts. for only 10¢. Many dealers have found this Special Collection a good business-getter. We would be glad to furnish you with such collections (in Kraft Bags) at the same discount as allowed dealers on our other Flower Seed Collections. (See page 3.)

Special Wholesale Red List Prices

For exclusive use of **Seedsmen and Dealers**

Effective January 1, 1943, all invoices for purchases will be charged at the prices quoted in this Burpee Red List, unless Special Offers are made by letter or telegram and referred to when the order is placed.

We expect to adhere throughout the winter and spring to the prices quoted herein, unless some causes beyond our control require a change, in which case we shall be governed by the market. All goods are offered subject to prior sale, f.o.b. Philadelphia, Pa., or Clinton, Iowa, and we reserve the right to change prices without notice if it should become necessary.

Credit and Terms of Payment

Our terms are cash with order unless you have an account with us or are satisfactorily rated by the commercial agencies. To those who have accounts and others of approved credit, our terms are *60 days net; 2% discount for cash in ten days from date of invoice, or 3% discount when cash accompanies the order, for Vegetable and Flower Seeds and Flower Bulbs. No discount on Grass Seeds, Clover Seeds, Onion Sets, Potatoes, Roots, and Supplies, or on Bags, Cases, and shipping charges, all of which are net cash.*

New customers, unless satisfactorily rated with the commercial agencies, should furnish us with at least three trade references. Orders from new customers amounting to less than \$5.00 should be accompanied by cash.

Orders for seeds will be shipped C.O.D. upon receipt of a deposit of 25% of the value of the order.

All Prices Quoted in This Red List are f.o.b. Philadelphia, Pa., or Clinton, Iowa

The purchaser pays the transportation charge on everything offered in this book except colored packets and collections on sale or return basis, which are sent prepaid. If goods are wanted by Parcel Post, include sufficient to cover postage on cash orders. On charge orders, postage will be invoiced. We make no charges for packing or cartage, but Bags and Cases will be charged at current cost and are not returnable. If in doubt as to the best and most economical method of shipment, we suggest that you leave this to our judgment.

Prompt Shipment. Practically every order is shipped the same day it is received. You can depend upon us to get your seeds on their way to you as quickly as possible. In these times, however, all methods of transportation are uncertain so it is advisable to order earlier than usual.

Shipping Instructions

With each order, please give complete shipping instructions if goods are not to be sent by parcel post. Give the name of your express or freight office and on which railroad you wish goods shipped. This will assure correct routing. After delivering the shipment to forwarders in good order (as shown by Bill of Lading), our responsibility ceases. Marine and/or War Risk insurance will be effected on foreign shipments only when so directed.

Extra Service and Sales Helps for Burpee's Red List Customers

The prices quoted in this "Red List" wholesale catalog are low when you consider the High Quality of the seed offered and the following extra service and sales helps we furnish free of charge to all Red List dealer and seedsmen customers:

Illustrated catalogs of 128 pages.

Counter cards and posters illustrated in color.

Handsome seed racks made of green pressboard free of charge.

And remember that seedsmen and dealers who sell seeds under the name Burpee get the benefit of all the national and local advertising we have done for more than half a century and which we are doing this year on a large scale. This extensive advertising in many of the country's leading magazines costs us a lot of money and will stimulate your sales of Burpee's Seeds.

Burpee's All-America Prize Winners for 1943

Jubilee Tomato

1111 Jubilee Tomato

All-America Bronze Medal Winner

72 days. A new orange-yellow tomato which compares favorably with the best of the standard red varieties in shape, smoothness, quality and solidity. Entirely different from any yellow or orange tomato you ever grew. Fruits are bright orange-yellow, globular, weigh about 6 ozs.; the orange colored interior is modern, thick-walled, with few seeds. The flavor is somewhat mild but not flat. Makes delicious juice of unusual and attractive color. Very high in Vitamins A and C. Three times as much Vitamin A as oranges.

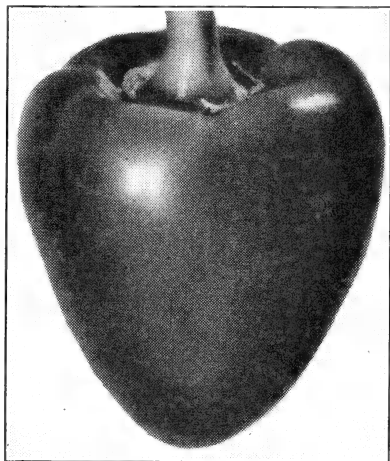

$\frac{1}{4}$ oz. 50¢; $\frac{1}{2}$ oz. 90¢; oz. \$1.65; $\frac{1}{4}$ lb. \$5.00; lb. \$15.00.

847 Early Pimento Pepper

All-America Bronze Medal Winner

65 days. Peppers are heart-shaped, pendent, and when mature are $3\frac{1}{2}$ in. long and $2\frac{1}{2}$ in. in diameter at the top, smooth, dark green, turning bright red when ripe. The flesh is $\frac{1}{4}$ to $\frac{5}{16}$ in. thick—a heavy walled pepper which is mild at all stages, and is especially sweet after it has turned red. May, of course, be used both green and red. It can also be grown to extend the season of canning in the regions where pimentos are produced commercially. One of the earliest of all peppers.

$\frac{1}{4}$ oz. 50¢; $\frac{1}{2}$ oz. 90¢; oz. \$1.70.

Early Pimento Pepper

2440 America Alldouble Petunia

All-America Silver Medal Winner

The first Alldouble Petunia ever created in America. Flowers are rose-pink, of medium size, 2 in. and more across. Plants are hybrida nana compacta, 1 ft. in height and 18 in. in width, making them ideal for beds, borders or edgings as well as desirable pot plants. Stems may be obtained up to 10 in. in length which makes them highly adaptable for low vase use.

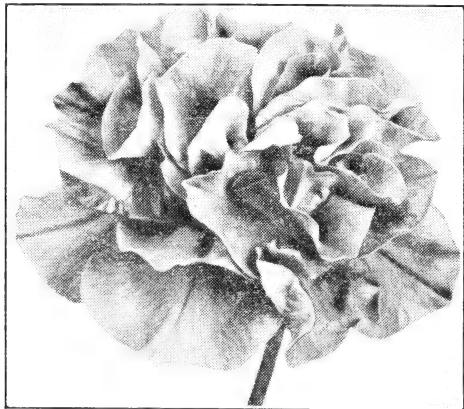

100 seeds 25¢; 200 seeds 45¢; 1000 seeds \$2.00.

1603 Navy Blue Aster

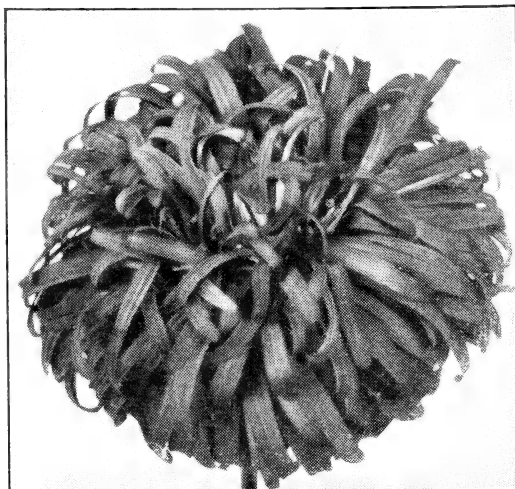

Honorable Mention, All-America Selections

A new extra-early, giant flowered aster, rather close in form to that of the Giant Crego type. The flowers are large, about 4 in. in diameter, with long, ribbon-like, beautifully curled, twisted and interlaced petals of a rich luminous, deep velvety purple-blue color. Plants grow about 20 in. tall. Stems are long and wiry, 12 in. and more in length; wonderful for cutting.

$\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 70¢; oz. \$2.10; lb. \$25.00.

Burpee's Early Flowering Sweet Peas

Varieties are arranged in each color class from deep to light shades

Burpee's Early Flowering Sweet Peas come into bloom 3 to 4 weeks earlier than the Summer Flowering varieties offered on pages 34 to 37. They are especially adapted for growing in frost-free sections and for earliest blooms outdoors in the North, and also valuable for winter flowering under glass. They are being planted more and more every year.

If you live where the late Sweet Peas have not done well, have your customers try the Early Flowering. They will bloom before the summer heat arrives. Sweet Peas do best in cool weather. If seed was not sown in the fall, it should be sown as early in the spring as the ground can be prepared in an open, sunny location, and deep rich soil which must be well drained. Burpee's Sweet Peas are famous the world over as the "Best That Grow." The flowers are extra large, of perfect form and texture, well placed on long, strong stems, and usually produced in sprays of four.

½ lb. or more of any named Sweet Pea listed may be ordered at the lb. rate.

Spring Flowering Sweet Peas

Come into bloom outdoors between the Early and Giant Spencer classes. Plants are quite vigorous and what the flowers lack in size is made up by the heavy crop of blooms produced. Vines seem more heat resistant than other Sweet Peas. Under glass they are unusually free flowering and prolong the spring cutting season.

We offer three colors, each of which received an award in the All-America Selections for 1940:

3470 Blue Clear marine blue; free bloomer.

3479 Lavender Lovely soft shade of lavender.

FORDHOOK FARMS PENNSYLVANIA ★ FLORADALE FARMS, CALIFORNIA

If there is any farm more famous than all other farms in the world, it is Burpee's Fordhook, near Philadelphia in Pennsylvania. This experimental farm was founded by W. Atlee Burpee before the United States Government had any experiment stations. The next most famous and best known farm in the entire world is probably Floradale, near Santa Barbara, California. Just a few views of parts of these two farms are pictured on this page. Everything in the way of selecting and breeding is done so that only the Best varieties and the Best Seeds that

Grow can be offered to Burpee customers wherever they may be.

On Fordhook Farms at Doylestown, near Philadelphia, this section is devoted to Victory vegetable gardens for the school children under the guidance of Burpee vegetable experts.

One of our California vegetable experts examining the vegetable trials on Floradale Farms. All kinds of vegetables and flowers are tested at both Fordhook and Floradale.

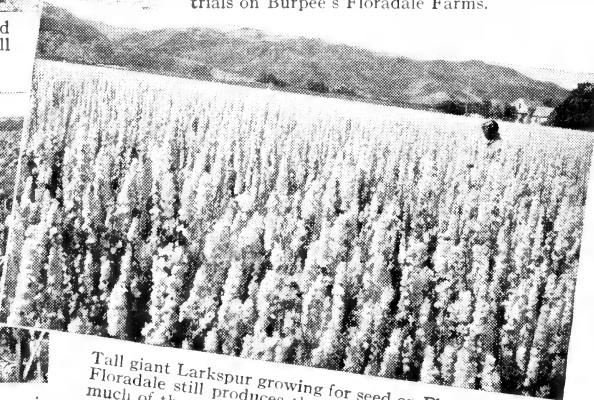

Our vegetable experts, Condit and Pride, are carefully examining and making notes of the table beet trials on Burpee's Floradale Farms.

All kinds of flowers that grow from seed are tested each year. The above picture shows only a small section of the flower trials at Fordhook Farms.

Many years ago we started in to train women to raise vegetable seeds on Floradale. They have become very proficient; this picture shows them harvesting leek seed.

Tall giant Larkspur growing for seed on Floradale Farms. Floradale still produces the finest flower seeds, although much of the acreage is now devoted to vegetables.
